Application for Building Permit Exemption

Job Address _____ Owner Name _____ Owner Phone _____

☐ Please check this box if this application is related to a code enforcement case CE# _____

An exemption from a building permit is contingent on compliance with all codes and ordinances. This document is for the purpose of validating and recording work proposed to be done under permit exemption. No inspections are made for exempted work. It is the owner's responsibility to construct the work as indicated hereon, and to comply with all applicable codes and ordinances. Building Division Procedure, A-1 addresses permit exemption.
